Paranormal Romance Series (4 in 1)

Book One: VAMPIRE ROMANCE: Thirst for Love

Ronan is a creature of the night and has been for quite some time. One night, as he's searching for his next kill, he spots Adara working at her desk in a bookstore. The result is immediate infatuation. He follows her home that night and as she's sleeping he explores her apartment, trying to learn everything he can about her. The next night, he shows up at her store before it closes and purchases a book from her just so he can talk to her. He continues to follow her and watches in horror as she gets struck by a car but is unable to save her. Realizing he has one of two choices—to let her live or to change her—Ronan makes the decision to turn her into a vampire.

Book Two: PARANORMAL ROMANCE: Memory Bites

A young boy hovers near death in a hospital room, his overly doting mother at his side and a calming voice that he hears in the mist of his unconscious mind. He recovers and is visited by the mystery woman. The boy goes through some major life changes including being allowed to go to school like regular kids and getting in his first fight. And, as he grows closer to his strange friend more changes keep coming.

The sickly boy grows to be a strong, handsome and successful doctor, full of unlimited promise. But, the only thing he can focus on is how he feels about the woman of his dreams. Like most young couples, they face obstacles to their happiness but how many of those other couples can include the fact that one of them is a very old, natural born vampire?

Book Three: PARANORMAL ROMANCE: Memories Bite Harder

Annalisa's quiet but quite resolute refusal of his marriage proposal hung in the air. He tried to ask several

questions, all of them meaning the same thing and choked on every word. Finally, tired of his wild, staring eyes and the sound of the panicked thud of his breaking heart, she just sighed and disappeared leaving the room infinitely colder in her absence.

The lovely ghost vampire that he had fallen in love with to the point of nearly throwing away his entire career after being rejected by her was a child killer.

Book Four: VAMPIRE EROTICA: Snow Fall

Sebastian Lesueur, extraordinarily handsome, billionaire has more than a few secrets. His passion for women keeps him moving between his many mansions all over the world. After centuries of different lovers, he's never found one he wanted to keep with him for the eternity that is his to live. Though a fairytale life on the outside, he lives a lonely existence. While staying in New York, he finds a woman who intrigues him more than any other ever has. Snow Sinclair is a savvy business woman and has no intentions of giving in to the well-known playboy. Her determination to keep him only as her client proves harder for Sebastian to penetrate than he imagined. What she believes is only a lust for her proves to be much more than Sebastian ever thought possible for his eternal life. If only he could get her to agree, for she would not be one he takes or transforms against her will.
