GET THE MAGIC POWER OF THE SEVEN TOOLS OF CHANGE AND LIVE AN EASY, POWERFUL AND HAPPY UNIQUE LIFE.

How to win every change – everywhere, always.

You will discover what you really want and where you can get it. You will transform from a victim of the global change to the master of every change. You will easily learn how your life can instantly be better than ever.

This practical, transformative and useful book is a generous toolbox that provides instant help. The author refuses the usual hints and takes the reader on a short but amazing expedition. For 5 million years, from the time our first ancestors walked upright as nomads, until our own day, we created the tools for every change. Now, in a globalized, electronic era, we are once again on the move – as the New Nomads.

The author discovered all over the world the legacy of our successful ancestors and their simple but highly effective tools. Seibt tells us exactly how to use them. They work immediately – not only for handling change in our own lives, but also in markets, businesses and careers.

No, all will not be as it was before. Never again. But for you, it can be even better than ever - if you want to live easier, better and happily than ever – your own unique life.

C.P. Seibt is an artist with diverse experience in many amazing projects. He has lived and worked in various cultures and is currently on the island of Paros, Greece. His workshops, coaching and mentoring services are rare, stupendously unique and useful, in high demand; helping, motivating, and inspiring people on how to live the way they desire. His work as a painter is intensely unique.

He is the founder of the Nomadic Academy. Among his published works are Stoics for Managers, Management and Machiavelli, The Artist?Artist! Papers and many columns.

"Peter Seibt shares his own take on how to embrace, direct and survive change from the smallest inconsequential happenings to life-altering events. From its very beginning, the book tweaks one's curiosity. I liked the author's approach to synthesizing his evolutionary philosophy into practical, useful tools towards embracing change. The author's artistry comes through in the book's prose. I very much liked the step-by-step approach to take personal responsibility for the outcomes in one's life. The book offers many interesting analogies and graphics. A true bonus is Peter Seibt's beautiful artwork which can be found throughout the book. I found the book thought provoking and interesting."
