As a college student exactly feel bored for you to reading. If their teacher questioned them to go to the library or to make summary for some guide, they are complained. Just minor students that has reading's heart or real their interest. They just do what the educator want, like asked to the library. They go to there but nothing reading really. Any students feel that reading is not important, boring and also can't see colorful photos on there. Yeah, it is for being complicated. Book is very important to suit your needs. As we know
