Deliberative Global Politics: Discourse and Democracy in a Divided World

John S. Dryzek

Deliberative Global Politics: Discourse and Democracy in a Divided World John S. Dryzek

Contending discourses underlie many of the world's most intractable conflicts, producing misery and violence. This is especially true in the post-9/11 world. However, contending discourses can also open the way to greater dialogue in global civil society and across states and international organizations. This possibility holds even for the most murderous sorts of conflicts in deeply divided societies.

In this timely and original book, John Dryzek examines major contemporary conflicts in terms of clashing discourses. Topics covered include the alleged clash of civilizations; societies divided by ethnicity, nationality, or religion; economic globalization versus resistance; plus an in-depth discussion of the 'war on terror'. Dryzek concludes by highlighting the limitations of current neoconservative and cosmopolitan approaches, arguing that only deliberative global politics offers unprecedented new possibilities for democratic engagement in the international system.

This book will be of interest to students and scholars of international relations, politics, philosophy, and sociology.

From reader reviews:

Carl Yeates:

Nowadays reading books are more than want or need but also be a life style. This reading practice give you lot of advantages. The huge benefits you got of course the knowledge even the information inside the book that will improve your knowledge and information. The info you get based on what kind of publication you read, if you want get more knowledge just go with schooling books but if you want experience happy read one using theme for entertaining for example comic or novel. Often the Deliberative Global Politics: Discourse and Democracy in a Divided World is kind of e-book which is giving the reader unpredictable experience.

Jeff Farley:

Information is provisions for people to get better life, information today can get by anyone at everywhere. The information can be a knowledge or any news even an issue. What people must be consider if those information which is inside the former life are hard to be find than now's taking seriously which one works to believe or which one often the resource are convinced. If you have the unstable resource then you buy it as your main information it will have huge disadvantage for you. All those possibilities will not happen in you if you take Deliberative Global Politics: Discourse and Democracy in a Divided World as your daily resource information.

James Batts:

Playing with family in the park, coming to see the sea world or hanging out with good friends is thing that usually you have done when you have spare time, and then why you don't try matter that really opposite from that. Just one activity that make you not experience tired but still relaxing, trilling like on roller coaster you have been ride on and with addition associated with. Even you love Deliberative Global Politics: Discourse and Democracy in a Divided World, it is possible to enjoy both. It is great combination right, you still need to miss it? What kind of hangout type is it? Oh seriously its mind hangout men. What? Still don't have it, oh come on its named reading friends.

Robert Williams:

That publication can make you to feel relax. This kind of book Deliberative Global Politics: Discourse and Democracy in a Divided World was colorful and of course has pictures on there. As we know that book Deliberative Global Politics: Discourse and Democracy in a Divided World has many kinds or type. Start from kids until adolescents. For example Naruto or Detective Conan you can read and believe that you are the character on there. Therefore , not at all of book usually are make you bored, any it can make you feel happy, fun and rest. Try to choose the best book for you personally and try to like reading that.
