Gendered Readings of Change: A Feminist-Pragmatist Approach (Breaking Feminist Waves) Clara Fischer

In *Gendered Readings of Change*, Clara Fischer develops a unique theory of change by drawing on American philosophy and contemporary feminist thought. Via a select history of ancient Greek and Pragmatist philosophies of change, she argues for a reconstruction of transformation that is inclusive of women's experiences and thought. With wide-ranging analysis, this book addresses ontological, moral, epistemological, and political questions, and includes an insightful exploration of the philosophies of Parmenides, Aristotle, John Dewey, Iris Young, and Jane Addams.
