La Parte Que Falta

Shel Silverstein

La Parte Que Falta Shel Silverstein

Le faltaba una parte y no era feliz. Por eso decidió buscar a la parte que le faltaba, y mientras rodaba y rodaba cantaba una canción... No dejes que la apariencia de "libro infantil" te engañe. "La Parte que Falta" es una obra importante que dice con una maravillosa sencillez lo que otros necesitarían cientos de páginas para transmitir. Es sorprendente cómo el autor logra destilar la esencia de lo que son las relaciones humanas y exponer dicha problemática con la poesía más fina y sencilla que uno pueda imaginar. Es un libro inolvidable cuyo mensaje llegará profundamente tanto a los niños como a los adultos que lo lean.

This is a story about a circle with a wedgeshaped missing piece that rolls along in search of its mate but has a good time looking for it. The story shows how life should be a journey more than a quest.
