## How do you resist a hot tiger shifter who just so happens to be hunting you down??

*Introducing a hot and sticky BBW tiger bounty shifter series set in the humid tropical South Florida climate.*

Sinclair Makenzie has bad luck.

She not only has a dead beat boyfriend who has allowed her to take the rap for something she didn't do, but the one chance she thought she had to clear it up ended up putting her right in hands of a bounty hunter.

Niall Amrit wants to retire.

He's tired of being a human bounty hunter by day and a paranormal one by night. Just one last job is all that it will take, and he can leave Palm Beach behind for good.

When his human bounty walks into the living room of his new paranormal employer, he thinks he's caught a break.

His human bounty has been directed to assist him with the bounty the paranormal wants!

The bounties are linked, and Sinclair and Niall are only at the beginning of a \* **steamy** \* and sinister journey that will test not only their minds but eventually their hearts as well.
