The Murder of King Tut: The Plot to Kill the Child King - A Nonfiction Thriller James Patterson, Martin Dugard

Since 1922, when Howard Carter discovered Tut's 3,000-year-old tomb, most Egyptologists have presumed that the young king died of disease, or perhaps an accident, such as a chariot fall. But what if his fate was actually much more sinister? Now, in *The Murder of King Tut*, James Patterson and Martin Dugard chronicle their epic quest to find out what happened to the boy-king.

The result is a true crime tale of intrigue, betrayal, and usurpation that presents a compelling case that King Tut's death was anything but natural.
