With over 80 photographs, this is the illustrated story of TV's latest superstars, tracing the careers of Gillian Anderson and David Duchovny's careers on stage, in cinema and television, to their present worldwide stardom.

When The X-Files entered production, few people expected it to last for more than a year, and neither Anderson nor Duchovny were sure they wanted to commit to the series. Since 1994 the little-known cult series has transformed into a phenomenal success story, and the actors who portray Mulder and Scully are now international superstars widely regarded as TV's hottest double act.

Packed with photos, pre-X- Files, on set, off-set, plus lots of glam shots, this book is a must-have for fans of the cult classic and its stars.
