Barry Berman, Joel R. Evans

Retail Management: A Strategic Approach 10th Edition Barry Berman, Joel R. Evans

This best seller provides a balance between theory and practice, useful career information, and a comprehensive package of ancillaries. It takes a strategic approach to decision making. The volume provides an overview of strategic retail management, and provides a careful examination of situation analysis, targeting customers and gathering information, choosing a store location, managing a retail business, merchandise management and pricing, communicating with the customer and integrating and controlling the retail strategy. This substantial revision of the market leader retains a strategic orientation with an all new full-color design and all new boxed material on international and ethical issues and retailing in practice. It provides a good balance between theory and practice, useful career information, and a comprehensive package with four brand new ancillaries. All new end-of-part comprehensive cases and new video cases.
