Seven Years Old and Preparing for Baptism George Durrant

As a seven-year-old boy, George Durrant had several meaningful experiences when he was preparing for baptism. Each of these experiences helped him learn a different gospel principle that strengthened his testimony of the restored gospel of Jesus Christ.

Now as a grandfather, he has written and illustrated this delightful book about that year in his life. He says, “The stories in this book ring true, because they are true. They depict the tender feelings of a less-than-perfect seven-year-old who is growing emotionally in ways that will help him or her be prepared to be baptized at the age of eight.”

Your seven-year-old can read these stories alone, or you can read the book aloud to your young one and discuss ideas that arise. This book will capture the interest and touch the heart of your beloved seven-year-old child who is preparing for baptism.
