What You Wish For Patrick Henry Rockefeller

Markus Bateman had everything going for him. He was a singer with a band recently signed to a label. Everyone figured what would happen next would be a world tour and a steady rise to fame. Instead, he had a brutal brush with the supernatural that left permanent scars to body and mind. In the wake of the kind of fame he never bargained for, Markus has gone into hiding, but no matter how far he runs, he cannot outrun his fury over how he failed his friends. Like so many of us, all he wishes for is a second chance to do the right thing. Finding himself stuck in the wrong place at the right time, Markus Bateman is about to get his wish. Will he find absolution, or will he regret getting what he wished for?
