Churchill's Triumph: A Novel of Betrayal Michael Dobbs

From Michael Dobbs, author of the book that inspired the smash hit Netflix series *House of Cards*, Churchill's Triumph transports us to the end of WWII as the three most powerful men on earth—Winston Churchill, Franklin D. Roosevelt, and Joseph Stalin—gather in what will later become known as the Yalta Conference to discuss the possibility of worldwide peace. Despite their shared goals, these supposed allies will lie, cheat, and deceive each other in order to secure their respective places in history.

Dobbs takes you behind the scenes and brings you into the minds and hearts of the big three leaders: the dominating and seemingly all-powerful Joseph Stalin, with the largest army, and the mission of expanding the Soviet Empire; an ailing and fragile Roosevelt, willing to make whatever compromises he felt he had to in order to bring Stalin and Russia into the final campaign against Japan; and Churchill, the least powerful of the three, but the most far-sighted, who could not count on Roosevelt as his ally, and could not tame the avaricious Russian bear, determined to gobble up the nations around and beyond it. Like a fly on the wall of history, the reader becomes a hidden witness to these monumental negotiations, witnessing negotiations that would betray the heroic struggle of millions who died and fought in the Great War.

Acclaimed author Michael Dobbs allows the reader to eavesdrop on the world's most powerful men at a crucial point in modern history.

Praise for *Churchill's Triumph* by Michael Dobbs, bestselling author of *House of Cards*, the book that inspired the Netflix series starring Kevin Spacey:

"His portrait of Churchill is as masterly as ever: a wonderful compound of bluster, sentimentality, grumpiness and indefatigable physical energy. There are the usual elegant metaphors... In the tragedy of Poland burning while statesmen fiddled, Dobbs has found a theme worthy of his powers." —*Sunday Telegraph*

"How do you delight the profit-maximising big retailers while at the same time writing something dark and moving? Michael Dobbs knows how...Dobbs knows his sources, but the dialogue is his own: good, clean, moving briskly and underpinned by the record, it conveys historical truth. As for Poland, it suffered all the horrors. Dobbs writes about the country with tight passion, transferring to his fictional village, Piorun, the rape, murder and savage enforcement by Germans and Russians which, so far away and so little regarded, actually happened. The old women weeping, the houses burned down, the bodies left promiscuously on the street are history set out for the attention of novel-readers, memorable instruction in human grief... Furiously told and compelling, Churchill's Triumph is a thinking man's bestseller." —*The Guardian*

"Dobbs astutely and dramatically portrays the real story of Yalta, the mighty tussle between the three men upon whose political skills and strength of character the rest of the world would depend... The novel is a triumph because of the author's fine appreciation of history and his meticulous eye for detail." —*The Times*

"Michael Dobbs brings the Second World War to a resounding close... Dobbs portrays Churchill as being all too human - oversensitive and easily hurt by friendship betrayed, and conjures up Roosevelt's stricken response beautifully... Dobbs is a fine writer and neatly sums up the appeal of historical novels. Not only can they fill in the gaps left by an inaccurate, incomplete or contradictory factual record, but they can capture the

spirit of the thing. Dobbs has certainly done that here." —*Daily Telegraph*

"It's all too easy to forget that you're not reading an insider's account of the real events that shaped the modern world. Dobbs clearly has an instinctive feel for what makes powerful men tick." —*The Mail on Sunday*

"Although it's a novel rather than a work of non-fiction, Churchill's *Triumph* brings into vivid focus that one wintry week in Georgia when Europe's fate was decided. It's a compelling story, expertly told, and builds on the totally credible portrait of Britain's cantankerous but brilliant wartime leader Dobbs has drawn in his earlier novels.... Dobbs is one of the brightest and best mass-market storytellers around." —*The Scotsman*

"A brilliant drama tracing the human side of the leaders who held the future of the world in their hands, showing the delusions, paranoia, compromises and betrayal which come with statesmanship in times of crisis." —*Yorkshire Post*

"The novel is also a reminder that war is about people and interwoven with the events at Yalta are tales of other individuals, from Polish refugees and starving Russian children to Churchill's own children and the German troops fleeing the advancing Red Army. It's a moving story of human tragedy you won't want to put down." —*Scottish Sunday Post*

"The real Churchill brought to life." —*Western Morning News*

"Dobbs provides an absorbing account of the events that took place at Yalta. The book vividly brings to life one of the pivotal events of the

"The real Churchill brought to life." —*Western Morning News*

"Dobbs provides an absorbing account of the events that took place at Yalta. The book vividly brings to life one of the pivotal events of the twentieth century. Dobbs' impeccably researched novel brings flesh to the bones of a highly significant historical event." —*Glasgow Herald*

"The drama and despair of this momentous meeting are captured perfectly and Dobbs shows rare talent for reading between the lines of official history." —*Northern Echo*

"Dobbs presents the historical facts with such skill and pace... A rattling good yarn. This is another winner." —*Nottingham Evening Post*

"The novel brings the passion of war to life." —*Teesside Evening Gazette*

"A huge success" —*South Shields Gazette*

"A considerable achievement in its own right, I've rarely ever felt so involved and so moved by a historical novel." —Professor John Ramsden, Author of *Churchill – Man of the Century*
