'You'll never have more money than you plan to have! You could certainly end up with less, but never more. Therefore, the goal of this booklet is to make sure that, at the very least, you end up with what you plan to have at retirement.'" - Dale Rogers, CPC President, Rogers Capital Management, Inc. For a growing percentage of the population, 401(k) plans form the cornerstone of their retirement savings. Therefore, building a bullet-proof 401(k) plan, protecting it in the face of market volatility and social security uncertainty, and then maintaining it so it will provide handsomely for you and your family down the road, is more important than ever. Now, retirement pros Dale and Craig Rogers condense the key points for formalizing a logical plan into 9 easy-to-follow steps. In simple terms they outline the major "building blocks" that comprise a successful retirement program. Point by point - block by block - you'll learn the key components for accumulating wealth and achieving a healthy, high-performing retirement portfolio. This compact guide covers everything from 401(k) basics to selecting the appropriate asset classes for your individual needs. You'll discover powerful strategies for:

- Maximizing employer contributions (It's free money - don't pass it up!)
- Targeting a risk level that's right for you
- Balancing (or re-balancing) your portfolio to perform in up and down markets
- Plus...
- 6 investment principles that produce dramatic results
- Where to get help, when to get out, and so much more.

Secure your financial future today - by following the nine simple steps you'll find in this concise, fast-reading new guidebook.
