Why do dogs behave the way they do? What makes different breeds so different? And how can owners work around these inborn personality traits? Sixty-five million dog owners want to know, and here's the place to come for insights, into the way canines communicate their feelings and thoughts. Find out where, when, and why they want to be stroked, and how to give Fido a soothing reiki massage. Heartwarming, enlightening, and absolutely true stories reveal how dogs use their unique powers to help humans-including warning them of danger, going to their rescue, and playing a role in healing them. Uncover dogs' "secret agenda": what they would do if left to their own devices. Whether your pet is a lovable mutt or an aristocratic Borzoi, it's worth taking the time to get to know these magical creatures.
