While We Still Have Time: The Perils Of Electronic Voting Machines And Democracy's Solution: Publicly Observed, Secure Hand-Counted Paper Ballots (HCPB) Elections Sheila Parks Ed.D.

Electronic voting machines have caused and exacerbated many of the crises we face today. Simply and starkly stated: elections using electronic voting machines are often rigged by deliberately not counting the votes as cast. As a result, men and women who have not legitimately received a majority of the vote are put into office.
