Everyman: A Modern English Version

William B. Strickland

Everyman: A Modern English Version William B. Strickland

The English morality play "Everyman" was printed in 1475 but may be much older. It was a popular play in many countries, and there are versions in many other languages--no one really knows which came first. This modern English version tightens the action and preserves the linguistic playfulness and the philosophical seriousness of the original. Permission is granted for any performances of this version of the play.
