"License to Drive in California" is the most up-to-date, totally integrated California State-specific solution to driver education. Using a realistic approach, it covers all major driver education issues, with an emphasis on safety and defensive driving that will appeal to all new drivers. The focus is on practical solutions to everyday situations, with thoughtful coverage of such subjects as driving under the influence, sharing the road, challenging driving conditions and "road rage". Placed throughout are some great features that stress important topics. For instance, "Boxed Features" which highlights different driving techniques and situations a driver might face. Also, included is "Know Your Neighbor" which points out differences in motor vehicle laws. This exciting book gives detailed illustrations and current photographs. The state-specific Instructor's Manual aids instructors in class preparation. The non-state-specific Annotated Teacher's Edition includes an Activity Disk that instructors can use for additional assignments or give to students to use themselves. There are also five videos that tie directly to the text content and reinforce learning.
