How do you move on when the man who broke your heart is on the front of every tabloid cover, movie poster, and the star of half a dozen cologne commercials?

Three years ago, Charity McAdams was dumped by her fiance on the night of their rehearsal dinner.

Just as she is finally ready to get on with her life and move beyond her past heartbreak, life throws Charity a curveball she could never have envisioned. Sure, she's now in a serious relationship with James, a handsome businessman (who knows how to cook!), and everyone is saying that a proposal is just around the corner...

But there's one problem.

Her ex-fiance, Brandon Hart—who has since become an overnight Hollywood celebrity, thanks to a breakout role in a blockbuster action movie—is back in town.

...and he's determined to see Charity.

Brandon's sudden return to Charity's small-town world brings long-buried feelings and doubts back to the surface, and she begins to question her past, present, and future.

The Hollywood Tales Series is intended for a mature audience, 18+ only.
