After Napoleon's defeat and exile on Elba in 1814, it looked as if his extraordinary military career had come to an end. But then the Emperor escaped and made a last stand, which climaxed on June 18, 1815, when almost 200,000 Prussian, British, and French soldiers clashed at Waterloo. Published to mark the 200th anniversary, *The Battle of Waterloo Experience* is a compelling new treatment of the Hundred Days campaign, beautifully illustrated and including reproductions of contemporary letters and documents that graphically portray the background to Napoleon's final overthrow.
