The last volume of a compact three-volume set of Gandhi's seminal writings, this book completes the first authoritative collection of Gandhi's unabridged letters, articles, and books. Carefully sifted from the ninety-volume *Collected Works* of Gandhi to produce a comprehensive and balanced compendium, Iyer's achievement does full justice to the subtlety, richness, and evolution of Gandhi's thought. Enriched by an elucidation of Gandhi's crucial concepts and their varied applications as well as a useful glossary of terms and chronology of events, this series offers a fuller, more accurate, and discerning appreciation of Gandhi's significant and often compelling contribution to the 20th century and the future.
