Praise:

I hope there will be more in this series because I have enjoyed getting to know Meghan and her friends, Mick, Jason, and the teachers at the Academy.

Meghan's training at the Academy is coming to an end. Everything is going great as she comes closer to graduation. She is engaged to be married and the wedding is near when she hears some disturbing news that makes her rethink her future.

In class the students are learning to catch dreams and fly with the speed of light. Meghan soon discovers her special talents and that she is much stronger than she thought. But unfortunately that doesn't help her as she faces the truth about her own death, which will be revealed to her at the end of the year.
