Fiscal Sponsorship: 6 Ways to Do It Right Gregory L. Colvin

Fiscal Sponsorship: 6 Ways to Do It Right describes six models of sponsorship that have been approved and accepted by the IRS. It details how the models work and why, how they differ and how they are similar. This book has become the reference bible for projects interested in using fiscal sponsorship — a legal relationship that enables a nonexempt charitable project to raise funds and operate through an exempt sponsor who manages the project's money and reports to funders and tax agencies. Many other administrative services can be provided as well.
