Jubal Sackett: The Sacketts: A Novel Louis L'Amour

In **Jubal Sackett**, the second generation of Louis L'Amour's great American family pursues a destiny in the wilderness of a sprawling new land.

Jubal Sackett's urge to explore drove him westward, and when a Natchez priest asks him to undertake a nearly impossible quest, Sackett ventures into the endless grassy plains the Indians call the Far Seeing Lands. He seeks a Natchez exploration party and its leader, Itchakomi. It is she who will rule her people when their aging chief dies, but first she must vanquish her rival, the arrogant warrior Kapata. Sackett's quest will bring him danger from an implacable enemy . . . and show him a life—and a woman—worth dying for.
