## **LIBRO DE LOS MEDIUMS EL ALLAN KARDEC**

El libro de los médiums (Le livre des médiums) es un libro de ocultismo del escritor francés Allan Kardec - autor de El libro de los espíritus-, publicado en 1861. Se trata de una de las cinco obras codificadas por Allan Kardec, una especie de pentateuco espiritista, y que ofrece la curiosidad, así dicen, de haber sido dictada por los muertos. Los testimonios recogidos en El libro de los médiums pertenecen, oportunamente, a los espíritus; quienes en largas y abúlicas sesiones nos han dejado sus reflexiones insólitas desde el más allá. Cómo si este corpus no fuese lo suficientemente extraño, Allan Kardec también agrega a su Libro de los médiums un exhaustivo análisis de la profesión, en donde se exponen cabalmente todos los secretos para convertirse en médium; herramientas que él, misteriosamente, jamás utilizó. Las técnicas y secretos para comunicarse con el mundo de los espíritus, presumiblemente, fueron detalladas por los minuciosos fantasmas de Kardec, quien, al parecer, siempre andaba con un anotador a mano. Más allá de estas bromas frugales -no es bueno tomarse en serio estos asuntos- El libro de los médiums es una obra muy entretenida, y que le dio nuevos impulsos a la fiebre por el espiritismo que estalló durante aquellos años.
