When **eighteen year old Anna** leaves her life as a servant in London, and begins to work for the **strong and powerful Duke of Bathampton**, she is right to be a little nervous.

Upon welcoming Anna to the manor, it becomes clear that **she is to be no ordinary serving girl**. In fact, she is to be the Duke's special servant, **dutifully obeying every one of his perverse wishes**.

As Anna grows closer to the Duke, however, she learns his terrible secret: that he cannot spill his seed with his own wife. That he needs someone **beautiful, and a little dangerous**, to help him get what he so **desperately desires**.

And a little danger seems to suit Anna perfectly... especially when that danger comes **hard, and without protection**.
