Reviews for The Hunter from Goodreads:

"Let me just start with saying I so loved Issy!! She's a strong minded woman who can have casual one night stands with out all the fuss of a relationship. That's what caught my attention in this story, every other story out there is about the men being the casual one and the woman chasing them. But not Issy she lives her life by her rules until she slams into Lucas (literally slams) and then she just cant stop thinking of him. Is he real or just a figment of her imagination (and what an imagination she has) But when she finally confirms that he's real and oh so sexy she stops at nothing to have him in her bed!! Book 2 The Hunted is a definite must read to continue the hotness of Issy and Lucas." 5 out of 5. Clarisse.

"Truly awesome read with the smut level increasing until the "cliffhanger"
I devoured this book and also read the second installment in one night! Now waiting for book 3- HURRY" 5 out of 5. Stacey.

"Things were just heating up. Damn! Gotta get book 2. He's getting closer to his prey. She's about to be devoured in a really good way. Can't wait!" 5 out of 5. Swilliams305

"Fab book hook straight away read in one night couldn't put it down not even to sleep great story and characters." Mellonie 5 out of 5

"WOW!!!! I can't wait to read the next one. I read this book in three hours. I thoroughly enjoyed it. And from the beginning this book had me hooked!!!" Dalia 4 out of 5

"I really liked this book.

Lucas Hunter is dark, mysterious, sexy, intense and has a bit of a temper. All things I love in an Alpha male. Issy is a strong heroine, she's got some backbone which I like but I also like how she gets all goo-goo eyed

for Lucas.

I'm curious to see how there story plays out.

The only thing that kinda threw me off was when Issy was thinking to herself, she would go from speaking from the 1st person to the 2nd. It just kinda threw me off a bit.

There's a good story brewing here and I'm glad book two is out. I'm all over that now ;)" Rosanna 4 out of 5
