"One cowboy is never enough."

If you love the Wild Wild West, you'll love this steamy hot historical set in the Montana Territory!

"When it was three against one, I was always going to be overwhelmed."

The Bridgewater way of two men marrying one woman is uncommon in the Montana territory. But three men marrying one woman? That is unheard of, especially for beautiful Olivia Weston. Her fate, it seems, will have her married to one man - a man she doesn't love. But when her betrothed treats her in a cruel manner, she rejects him and not long afterwards catches the eye of three handsome and virile ranchers.

Cross, Rhys and Simon are as different as three men can be. But they have one thing in common; they are determined to offer Olivia the protection of marriage and the promise of endless carnal pleasures. Olivia worries that her instant attraction and hasty agreement to marry three men stems from a defect in her character. What kind of woman not just loves three men, but makes the most intimate parts of herself available to their lustful attention? The chemistry between them is like lightning. Can she deny it? Or will Olivia submit to become the most sated Bridgewater wife in this ongoing ménage series?

Bestselling author Vanessa Vale strikes gold again with a story bound to appeal to fans of her special brand of Western erotica. No-holds-barred sex, fast-paced plot, rugged men and the women who love them have seen the Bridgewater books topping Western erotica charts with each release. Don't miss the latest - and sexiest book - in this series.
